

Arete

RETREAT

NEW ZEALAND

Facilitated End of Year Reflection & Christmas Event

Reflect on 2023 | Gather your lessons, and apply to your 2024 planning.

Do you need time for your team to think about what worked for your company; those activities that you'd like to repeat?

Have you identified those lessons learned that you do NOT wish to repeat?

Join me for a facilitated day; ending with a shared evening meal to celebrate your 2023 achievements.

Book NOW for November or December 2023.

Our unique space

Arete Retreat provides an experience unlike anything in the Southern Hemisphere.

Both in its off-grid carbon-neutral approach, and its bespoke design.

Coupled with the ease of access from two large regional centres, Wellington and Palmerston North, of which Wellington hosts direct international flights.

The experience, the beauty of the location and retreat buildings, provide a unique opportunity to treat your team to an end of year experience.

Disconnect to Reflect
